ORDER

This court has carefully reviewed the memorandum and recommendation of the magistrate judge on frivolity review of plaintiff's expansive allegations memorialized in complaint extending over 350 pages, to which no objection has been made. Finding no error, the court adopts as its own, for those reasons therein stated, the proposed conclusions of the magistrate judge. All federal claims are dismissed, the court declines to exercise supplemental jurisdiction over remaining state law claims, and where her attempted removal of an ongoing state criminal case fails, that case is remanded to the North Carolina General Court of Justice, Pitt County, for further proceedings. The clerk is directed to close the file.

SO ORDERED, this the 22nd day of July, 2014.

A handwritten signature in black ink, reading "Louise W. Flanagan". The signature is written in a cursive style with a large initial "L".

LOUISE W. FLANAGAN
United States District Judge
